Smoking in our apartments

Smoking is prohibited inside the apartment and on the balcony under right-of-occupancy and rental agreements starting on 1 January 2021. Since 1 October 2024, smoking has also been prohibited in the private yards of apartment buildings and access balcony buildings, as well as in the access corridors of access balcony buildings. The property may not be completely non-smoking due to other apartments that may be subject to old agreements with no smoking prohibitions.

From 1 October 2026, smoking is prohibited inside apartments and on balconies, terraces and private yards under all rental agreements, including rented right-of-occupancy apartments.
